

Project Manager/Estimator

Are you a proactive, driven, self-starter who excels at creating systems and processes? Do you enjoy jumping from project to project and working under pressure? Once you've been trained, do you prefer to work independently and get things done? If so, apply today, we have an excellent career opportunity for you.

Our Company:

We are a family-owned company, focused on delivering our mission, values and serving our clients. Our motto is "To build high quality construction projects for clients that value a superior building experience". We listen, we plan, we communicate, we execute, we deliver. To achieve this goal, we are seeking a **Project Manager/Estimator** to join the amazing team at Stryker Construction in St. Louis.

Ideal Candidate:

Our ideal candidate will have a proactive problem-solving approach, as well as strong attention to detail. They will thrive on multitasking and have strong follow-up skills. Ongoing professionalism with clients, employees and vendors is essential. The candidate must be flexible enough to handle a multitude of projects while being persistent and organized with proven processes and implementing new ones. Our ideal candidate will possess qualities such as a commitment to excellence, unwavering integrity, a results-oriented mindset, and a self-disciplined focus.

Key Performance Indicators:

- Work with clients to understand scope and vision of job
- Ability to prepare and submit projects to clients
- Negotiate with vendors, suppliers, and subcontractors
- Manage relationships with subcontractors and field staff
- Lead, direct, and coordinate the day-to-day management and construction activities of assigned jobs

Qualifications:

- 5-7 years in construction industry with estimating/project manager experience
- Tenant Improvement experience
- Ground Up experience is a plus

Hours are full-time (usually M-F, 7:00 – 3:30 pm)
